THIS Catalogue contains a few of our most familiar styles in Rattan and Reed Furniture, and has been prepared for the purpose of giving to the intending purchaser an estimate of what it will cost to furnish in these goods.

It by no means comprises all our styles; they alone can be seen by visiting our extensive Warerooms, where we have a large room given wholly to this particular branch of our business, which is continually receiving the latest and most beautiful designs.

We also exhibit a large line of Bamboo and Upholstered Furniture in the latest goods.

We finish to order any of our Rattan Work in English Oak and Dark Mahogany, and furnish Cushions or Coverings in any desired material.
